Filed on 29-JAN-2004
(Art Unit 2186)

It is estimated that this application will receive an Office action in approximately 10 months. This is an estimate that is based on the current inventory level of applications filed in this art area and the current staffing levels in this Art Unit. The USPTO is dedicated to minimizing first action and total pendency, and we are targeting resources to help address backlogs in art areas with high new application filings. Thank you for your inquiry.
